**Subject:** Sweeney comments on forestry/landslides rationale paper  
**Attachments:** sjs Draft Rationale for LandslideProne Areas 9-09-14(1).docx

Based on the previous call, it didn't sound like the idea of starting with the response to comments really was going to work for people ... and that the strong preference was that the lawyers start with the rationale papers.

After re-reviewing the schedule, it looks like I was supposed to start with the forestry/riparian areas paper, but here is this one anyway (which I accidentally started on first).

Stephen J. Sweeney  
Office of General Counsel (2355A)  
WJC North Room 7507F  
U.S. Environmental Protection Agency  
202-564-5491 (desk)  
202-564-5531 (fax)
